Summary-by-Chapter Book Report

Create a book that summarizes our novel, *From the Mixed Up Files of Mrs. Basil E. Frankweiler*. As we've discussed in class, your book should have the following:

- ★ A cover that shows the name of our novel, its author, your name, and a picture summarizing the story.
- ★ One page for each chapter. On each page, summarize in a sentence or two the events of the chapter. Your summary should also include a picture (in color) that shows the event you're describing. Since we have 10 chapters, you should have 10 summaries and pictures.
- ★ A back cover that shows your review of the book. Questions you should answer include:
 - What did you think of the book?
 - Would you recommend it to a friend?
 - What parts did you like the best?
 - What parts did you like the least?
 - Who was your favorite character? Why?
- ★ Be creative! You may make this booklet by hand, using the computer, by hand drawing the pictures, or making them with materials around the house. Think outside the box!

This project is due _____. Be prepared to share it with the class.
