

Online Book Review Consent Form

As a culmination for our recent unit, the students have been writing book reviews, critiquing the books we recently read. They now have the opportunity to post these reviews online, at www.amazon.com. This online bookstore displays customer reviews of the books they sell. Of course, **the reviews will be posted anonymously** to protect your student, but we still desire parent consent for this activity. Student grades will not be affected by their participation. Would you please return this consent form to school? **Consent forms must be received by**

for students to participate. Thank you!

My student _____ DOES / DOES NOT have my permission to post his/her review on www.amazon.com. Parent Signature _____
